Honor code and authorship cover page

Attest to the following: (Your professors also have to attest to these whenever submitting scientific work to IEEE journals.)	
I agree to abide by the McKelvey School of Engineering's Academic Integrity Policy and will not receive provide any unauthorized assistance on this assignment.	or
I have made a significant intellectual contribution to the theoretical development, system or experiment design, prototype development, and/or the analysis and interpretation of data associated with the work contained in this problem solution.	
My have contributed to drafting the problem solution or reviewing and/or revising it for intellectual content	t.
I approve the final version of the solution as submitted.	
Signed, Swan Clisha	
I agree to abide by the McKelvey School of Engineering's Academic Integrity Policy and will not receive provide any unauthorized assistance on this assignment.	or
I have made a significant intellectual contribution to the theoretical development, system or experiment design, prototype development, and/or the analysis and interpretation of data associated with the work contained in this problem solution.	
I have contributed to drafting the problem solution or reviewing and/or revising it for intellectual content	t.
I approve the final version of the solution as submitted.	
Signed, Robert L. Rawy	
☐ I agree to abide by the McKelvey School of Engineering's Academic Integrity Policy and will not receive provide any unauthorized assistance on this assignment.	or
□ I have made a significant intellectual contribution to the theoretical development, system or experiment design, prototype development, and/or the analysis and interpretation of data associated with the work contained in this problem solution.	
\Box I have contributed to drafting the problem solution or reviewing and/or revising it for intellectual content	t.
\Box I approve the final version of the solution as submitted.	
Signed,	
\square I agree to abide by the McKelvey School of Engineering's Academic Integrity Policy and will not receive provide any unauthorized assistance on this assignment.	or
□ I have made a significant intellectual contribution to the theoretical development, system or experiment design, prototype development, and/or the analysis and interpretation of data associated with the wo contained in this problem solution.	
\Box I have contributed to drafting the problem solution or reviewing and/or revising it for intellectual content	t.
\Box I approve the final version of the solution as submitted.
